To Mike Vernon,

I really enjoy using Pow-R-Pak
It's a fantastic & safe Traffic Lane

Cleaner - I use it on Trashed Out Carpets
also on Wool Rugs and Stain Resistant Carpets.
This is good because I can run into
all of the above in the same house
and only need one chemical!

also it's the Best upholstery pre spray
in the world - I've cleaned upholstery successfully
with Pow R Pak that I used to walk away
from & say it can't be cleaned
It's also a great spot remover
