

Dear Mike,

Just wanted to let you know that since using PowerFab my confidence level has risen. Even though I've cleaned ~~to~~ Draperies, and upholstered furniture, as well as carpets for 14 years and my list of customers is quite impressive - Hilton Hotels, Red Lion Hotels, Timberline Lodge, Oregon State Capitol Bldg (Draperies) to name a very few, using PowerFab has really been a boost to my cleaning capabilities and my confidence. It's everything you said it was, plus!
